Some of our happy clients...

// Soundcheck-AVS were absolutely brilliant to work with. Andrew was the Tour Manager and technician for Britain's Got Talent winner Jon Courtenay's UK tour. He was extremely knowledgeable, versatile, easy to work with and an incredibly talented engineer. I can't recommend Soundcheck highly enough. //

J Allen - Green Fairy Productions

// Simply Amazing! Thanks, Andrew, for all your hard work providing the Audio Visual equipment for our client's conference in Tunbridge Wells. Everything went so smoothly thanks to your invaluable knowledge and assistance. The equipment was excellent, and the client was over the moon. Thanks again. //

N Wainwright, Peach Entertainments

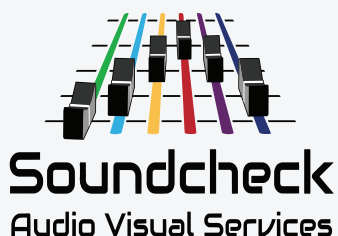

// Have used this company many times for their professional work. I have booked them whilst working at WSCC and NHS Sussex. Andrew is fantastic. Always on time, organised and delivered exactly what I wanted. Couldn't recommend him anymore! Book now. //
